June 11, 2010 – For immediate release

## **MoDOT to celebrate completion of Madison Street bridge**

ST. LOUIS – The public is invited to join the Missouri Department of Transportation (MoDOT) and its contractor Fred Weber, Inc. to celebrate the completion of the Madison Street bridge over I-70 with a ribbon cutting.

The ribbon cutting is Friday, June 18 at 2:30 p.m. on the bridge. Parking around the bridge will be limited; however, attendees can park on Madison Street on either side of the bridge.

Completing the bridge is one of the first milestones reached on the new Mississippi River Bridge project. MoDOT needed to complete the Madison Street and St. Louis Avenue bridges before work starts on the I-70 Missouri interchange. That portion of the project will begin in 2011.
