October 14, 2011 – For immediate release

Right lane of EB I-70 between Madison and Broadway closes October 17

(Ramp from 11th Street to eastbound interstate closes same day)

ST. LOUIS – The Missouri Department of Transportation and its contractor, Millstone Bangert Inc, will close the right lane of eastbound I-70 between Madison Street and the Broadway exit at 7 p.m. October 17.

Two full lanes of Interstate 70 will remain open through that stretch of roadway. At the same time, crews will close the ramp from 11th Street to eastbound I-70. Both the lane and the ramp will reopen in summer 2012.

To detour around the 11th Street ramp closure:

- Take St. Louis Avenue to N. Broadway
- Turn left on N. Broadway and follow it to Branch
- Turn left on Branch and follow it to 14th Street.
- Turn right onto 14th Street
- Turn right onto Destrehan
- Turn right onto 11th Street and immediately take the ramp for eastbound I-70.

This permanent lane closure is to give crews ample safe space to work on the new Missouri I-70 interchange for the new Mississippi River Bridge.
