April 2, 2012 – For immediate release

## **MoDOT to hold public meeting on Park over the Highway alternatives**

**ST. LOUIS** – The Missouri Department of Transportation will hold an open-house style public meeting to allow the public to discuss MoDOT’s portion of the CityArchRiver 2015 project.

The public meeting is scheduled April 10, between 3 and 5 p.m. in the St. Louis City Hall Board of Aldermen boardroom (on the second floor), 1200 Market Street, St. Louis, Missouri, 63103.

During the meeting, MoDOT engineers will be on hand to discuss several proposed alternatives for the Park over the Highway portion of the CAR2015 project, to include what the department believes is the preferred alternative. Engineers will also be able to discuss potential impacts of each alternative.

This meeting will allow the public to provide input, and comments, either directly to the engineers or in written comments, on the alternatives presented. This meeting is part of the process to complete necessary Federal requirements for the project.

Since there are no formal presentations during the public meeting, participants may attend at any time during the open house.
