MHTC awards contract for Mississippi River Bridge Missouri Approach

ST. LOUIS – The Missouri Highway and Transportation Commission has awarded the Mississippi River Bridge Missouri Approach contract to Fred Weber, Inc. for \$10.9 million.

The contract was awarded for about \$4.4 million less than programmed for the approach project. This Missouri Approach connects the main span of the Mississippi River Bridge to the Missouri I-70 interchange in St. Louis. Seven firms bid on the Missouri Approach.

Work on the Missouri Approach should begin in early April. Work is expected to be complete in fall 2011.
